PO Box 2233

ALEXANDRIA VA 22301

ESTABLISHED 1954

**To:** The Honorable Mayor & Members of the City Council  
Rose Boyd, Director of the Citizen Assistance Office  
**From:** Laurie J. MacNamara, President

**Date:** June 27, 2005

**Subject:** Potomac Yard Design Advisory Committee (PYDAC) Endorsement

On June 28 you will be asked to fill a vacancy on the Potomac Yard Design Advisory Committee (PYDAC). The Executive Committee of the Del Ray Citizens Association is pleased to endorse Sandy Modell for consideration as PYDAC's representative from the Potomac West area.

As a 21 year resident of Del Ray, Ms. Modell has served the City in a number of capacities. Her service has spanned the planning, development and implementation of a number of important transportation programs, including the City's local bus system, DASH and the DOT paratransit program. She has also supported the coordination and collaboration of transportation programs and services with other area transit providers, local governments, businesses, and developers. Ms. Modell currently serves on numerous transportation committees, task forces, and advisory groups, including the Crystal City/Potomac Yard Technical Advisory Group.

With major transportation issues facing Potomac Yard development, including consideration of a Bus-Rapid Transit (BRT) system, Ms. Modell's transportation experience will add a vital dimension to PYDAC's deliberations and recommendations.
